

TRANSPORTATION SERVICES

By our own fully equipped coaches and a network of selected partners we provide private and group transfers, VIP transfers, shuttle transfers, always having as our motto the safety and the comfort of our customers.

Fleet

The eleven ultramodern privately owned buses of every category from 6 to 53 seats, are equipped with advanced security systems and modern amenities. Moreover, all of them offer free internet. The frequent maintenance and the periodical inspection ensure high quality, fast and punctual transportation.

Experience & Professional Drivers

Our smartly dressed drivers are evaluated and selected with strict criteria in terms of experience and know-how, as well as their ability to create a trustworthy and confident environment to customers – passengers. All our services have 24/7 support from our qualified staff that takes care of the well-organised transfers, as well as for any other kind of transport.

Through the past years, Filos Holidays & Travel has established its name in the field of tourist transfers with our customers showing great confidence to us and can rely on our prompt and flexible services.
